

# CCI

## Conveyor Pulleys

CCI offers a full line of roller bearings and stocks most common sizes. We can supply SAF, Type E, TAF, Imperial and Spherical mounted units. We carry Dodge, Link Belt, SAF and Rexnord. The wide variety of bearings available can be used to build a pulley assembly that will match your exact needs.

CCI has the fastest service in the business. We can quickly supply a "drop in" bearing replacement to keep your plant running with little down time.

### Other CCI Bearings

#### Take-Up Housing Bearings

- Dodge Top Angle Bearings
- Center Pull Take-Up Bearings
- Wide Slot Ball Bearing Take-Up Bearings

#### Shaker Screen Bearings
